Developing Positive Character

We're bringing daily character education to parents & educators while COVID-19 has us engaging social distancing best practices.

CONNECT

These lessons are a great way to take a few minutes to set aside time to be present with your child. May we suggest:

GET IN THEIR WORLD

Kneel down to their level, snuggle on the couch, sit side-by-side with them on the floor

MAKE EYE CONTACT

Show your child you care about them through eye contact & observing their cues

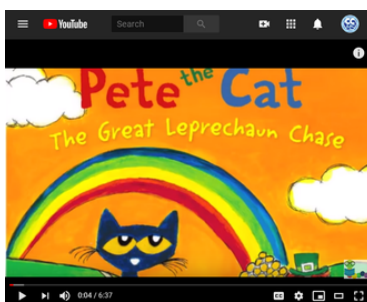

STAY PRESENT

Encourage enthusiasm by staying engaged throughout the lesson

WATCH

PETE THE CAT: The Great Leprechaun Chase

This is a great way to pair your character lesson with literacy practice!
